VENDORS ARE WELCOME!

Please use this form to let us know what your vendor needs are.

There will be no charge for space for IWSCA members and their families or for any vendor who makes a donation to the Welcome bags (ask about quantity needed), silent auction or live auction. If you aren't making a donation, think about doing so please.

Vendor area to be open on Monday, May 22, and Tuesday, May 23, at the Washington County Fairgrounds. Hours yet to be determined.

Vendors will need to pay the cost of renting tables and chairs if they need them.

Vendor space is expected to be indoors. Outdoor space is available too. Our plans are not set in stone. This is a work in progress. We're quite flexible; however, we'd like to know you're coming and what your space needs are.
